- Simply Kidz Academy in keeping with our "Keep it Simple" philosophy offers a monthly all-inclusive school fee with the exception of voluntary extras from time to time. The monthly school fee is payable January – December, in 12 monthly instalments by no later than the first day of each month.
- All payments to be made via EFT method. For security reasons we do not accept cash payments, nor do we keep cash on the premises.
- We require two months written notice should you wish to remove your child from our school. December is an exception to this rule. Should you be removing your child from Simply Kidz Academy at the end of the school year (ie December), we require written notification of your intention to do so, by no later than 01 October.
- In the event you fail to give notice and/or remove your child from the school during the two month notice period, you will remain liable for the notice and/or any outstanding fees.
- Should you choose to take your child out of school, for any reason, you will still be liable to make your monthly school fee payment.
